		Physics	Chemistry	Biology	Physics	Biology

Each homework will be 45 minutes long

## **Yr 12 & 13 Homework**

In KS5, students in Year 12 are expected to undertake at least 4 hours of work beyond the class for each AS subject per week, some of which will be set by their teachers. In Year 13 students are expected to undertake at least 6 hours of work beyond class for each A2 subject per week, some of which will be set by their teachers. In addition to their private study, at certain times of the year, students will also be required to undertake work which is directly related to their examinations (e.g. coursework, revision, etc.)

Year 12 - Over 16 hours per week (plus examination related work)

Year 13 - Over 18 hours per week (plus examination related work)
