Any information you provide will be used solely to compile statistics on the school careers and experiences of pupils from different ethnic backgrounds, to help to ensure that all pupils have the opportunity to fulfil their potential. From time to time the information will be passed on to the Local Education Authority and the Department for Education to contribute to local and national statistics. The information will also be passed on to future schools.

NOTES FOR COMPLETING THE FORM:

- Ethnic background describes how we think of ourselves. This may be based on many things, including, for example, our skin colour, language, culture, ancestry, family history
- Ethnic background is not the same as nationality or country of birth
- The Information Commissioner recommends that young people aged over 11 years old have the opportunity to decide their own ethnic identity. Parents/carers are asked to support or advise those children aged over 11 in making this decision, wherever necessary
