Year 11, 12 or 13 results

Any student not able to collect their results in person should return a form, by 12th July, giving authority for someone else to collect their results or for them to be posted. Anyone nominated to collect results on behalf of a student must bring with them evidence of identity in order to collect the results. Where arrangements have been made for results to be sent out by post they will be sent after 1.00 pm on the results day.

Students unable to collect results on the day due to exceptional unforeseen circumstances should send an email from their school email address to examsofficer@saintolaves.net explaining the circumstances and giving details of who will collect the results or asking for them to be posted to their home address.

Year 10 results

Statements of Results will be handed out by form tutors on the first day back in September. The Exams Office is not able to deal with any queries about Year 10 results until after term starts.
