

4th October 2017

Dear Guardians and Students,

Please join us on Wednesday 11th October 2017 to learn more about our upcoming World Challenge expedition to Croatia in 2019.

This morning students watched an assembly presented by members of last summer's teams. The trip involves sea and river kayaking, trekking in the National Park and camping. We are very excited about the opportunity this will give students to do something really unique that will make them stand out from the crowd. Participating students work together and take the lead to raise funds, plan their itinerary, set goals, and take on leadership roles – both before and during the expedition. By taking charge, students walk away with key life and leadership skills which prepare them for life after school.

I would like to invite you to join us in school for an informative Parents' Presentation, delivered by World Challenge, where you will have the opportunity to hear all about the amazing challenges that your son will have the chance to experience. Learn more about fundraising opportunities for participating students, the expedition and destination, safety and the support that World Challenge offer.

The Parents' Presentation is booked for:

Wednesday 11th October, 6.30pm
Location: Great Hall

I hope you are able to join us and look forward to seeing you there!

Yours faithfully,

Ms Heraghty
