

10<sup>th</sup> July 2018

Dear Parents and Carers,

Following an independent investigation commissioned by Bromley Borough Council into recent concerns raised about the school, I am writing to let you know that the full findings and recommendations have now been published and are available for you to read on their website [here](#) (see agenda item 6). A link to the pdf report can also be found [here](#).

We welcome the report and fully accept its findings and recommendations. We have already taken a number of proactive steps to address many of the issues raised, particularly around governance and student welfare.

Listening and working with you as parents and carers, together with staff and students, has been key in making these improvements. We know there is still work to be done and so we will continue to work with you, the Borough and the Diocese of Rochester as we seek to address any remaining actions.

### Thank you

This has undoubtedly been a difficult and challenging time for everyone within the school community. On behalf of the entire Board of Governors I would like to offer my gratitude to you, the students and Staff, for the support, input and patience during this time. Without it we would not have been able to take the many positive steps forward that we have already been able to make.

I would also like to thank all those who have helped ensure that the Borough have had our full cooperation as they have undertaken their important task.

### Next steps

If you have any questions or queries about the report, please do not hesitate to get in touch with myself or Mr Rees and we will be happy to speak with you about your concerns. You can email me directly on [archdeacon.bromley@rochester.anglican.org](mailto:archdeacon.bromley@rochester.anglican.org)

There will be an Open Meeting on **Tuesday 17<sup>th</sup> July at 6.30pm** which you are welcome to attend.

Our aim is always to support students to grow and flourish and the personal welfare and educational success of your children is paramount. As we move forward, I believe there is much to look forward to as we continue to work together to build a positive future for the School.

Yours sincerely,

*Paul Wright*  
Chairman of Governors
