Dear Parents/Carers

### Year 9 Tutorial Day - January 2019

During the Spring Term Year 9 students are given, within the school day, a time to have individual meetings with their tutors. The aim of the meeting is to discuss progress and set goals for the future. The meeting is not intended to be a means of reporting progress to pupils; this takes place at the **Year 9 Parents' Evening on Thursday, 28<sup>th</sup> February 2019.**

The tutorial meetings are scheduled to take place during the first few weeks of term. In preparation for this, we are asking boys to consider the following key questions:

- How do you feel about your current progress?
- Which achievements from last year are you most proud of?
- What are your goals for next year?
- What can be done to help you achieve these goals?
- Do you have any concerns about any aspect of school life?
- Are there any questions you would like to ask your tutor?

The time of your son's meeting is attached to this letter and he will be excused from his lesson for 10 minutes in order to attend this meeting. Please note that this is a normal school day for all Year 9 pupils.

Should you have any questions about Tutorial Days please do not hesitate to contact me.

Yours sincerely

Ms S Senaratne  
Head of Year 9
