Dear Y8 Parent(s) or Carer(s)

Year 8 Options, Careers and Futures Interviews

During the Spring Term, commencing the 16th January, the School provides private interviews for all Year 8 boys regarding their forthcoming GCSE options and also to consider their long term aspirations and career path.

The interviews are conducted in school by an independent expert with whom the School has a long-standing relationship. Your son shall miss fifteen minutes of a lesson (it shall be his responsibility to catch up with any work missed) to discuss his options and consider his long term future.

It would be a useful exercise for your son to look at this page (<http://www.saintolaves.net/GCSEOptions>) of the school website regarding what GCSE options were available last year and to consider what future (even at this very early stage) he is considering, so that he can take full advantage of the session, possibly bringing a question or two to ask. The page shall be updated to reflect the 2019 options later this term.

All arrangements shall be made within school via the Form Tutors, so you do not need to do anything further.

Yours faithfully,

Zoe Ward
Head of Careers
