

Ref: NS/AB 07 March 2019

Dear Parent(s)/Carer(s) and Students

## Science Revision Cards

The Science Faculty would like to offer you the opportunity to purchase CGP Science Revision Cards. The cost of the complete set is £12, a significant saving on the recommended retail price of £23.97. **The offer is only available with the purchase of all three sets of cards.**

The cards are double sided, with one side containing an explanation of course content and the other side has a relevant question with the answer provided. Students have an immediate way to test their understanding of a topic. The sample sets of cards used by staff and students have had very positive feedback. The Revision Cards will prove useful to students in Years 9, 10, and 11.

Please see links to the cards below. Please note that the examination board studied in Physics (**AQA**) is different to that of Biology and Chemistry (**Edexcel**).

If you wish to purchase the Science Revision Cards for your son payment should be made by our online system, sQuid. Should you experience any problems in connection with the online system, please do not hesitate to contact the Finance Department by email, [financeoffice@saintolaves.net](mailto:financeoffice@saintolaves.net), and they will assist with your query.

To enable us to order the Revision Cards and distribute them to the students as soon as possible, payment must be made by Friday, 15<sup>th</sup> March 2019.

Yours faithfully

Dr N Stewart  
Head of Science Faculty/Head of Physics
