

Dear Parents/Carers and Students,

8 March 2019

Vocabulary Learning Boosters Sessions,

We have decided to open the Monday lunchtime vocabulary boosters to Year 10 – up until now this has been for year 11 only. This should not replace regular vocabulary revision on Quizlet. This is relevant to all students of German in year 10; all are welcome.

These sessions take place on Monday lunchtimes (1-1:30pm in IT3) and are supervised by Frau Probodziak, for the German GCSE (AQA) course.
