

06 February 2020

Dear Parents/Carers and Students

The Physics Department would like to give you the opportunity to purchase a revision guide which will aid students with their examination technique.

The book is 'Aiming for an A in Physics' (ISBN 978-1-5104-2924-6), and it contains many worked examples that illustrate why answering a question using the correct methodology is just as important as having the required subject knowledge.

The recommended retail price of the guide is £9.99. However, we can take advantage of a 50% discount and offer you the revision guide for only £5.

If you wish to purchase this revision guide for your son/daughter, payment should be made by our on-line system sQuid. Should you experience any problems in connection with the on-line system, please do not hesitate to contact the Finance Department by email financeoffice@saintolaves.net and they will assist with your query.

To enable us to order the revision guide and to distribute it to students as soon as possible, payment **must** be made by Friday, 14 February 2020. **No payments will be accepted after this date.**

Yours faithfully

Dr Neil Stewart
Head of Science Faculty/Head of Physics
