

AS/CMS/27th March 2020

Dear Parents, Guardians and Carers

YEAR 7, 8 & 9 ACTIVITY WEEK 1: 18th to 22nd MAY 2020

Further to my letter dated 13th March (Year 7) and 19th March (Year 8), I would like to update you on Activity Week 1. The Foreign & Commonwealth Office (FCO) advised against all non-essential school travel for an initial period of 30 days and now with subsequent school closures and no indication as and when schools can expect to reopen, we have made the decision to cancel all planned activities during Activity Week 1. This week will return to a normal timetabled week to allow us to regain some curriculum time should School be reopened.

For those parents, guardians or carers who have made payment via sQuid you will be entitled to a full refund which will be processed in due course. I wish to thank you for your patience during these uncertain and challenging times.

Yours sincerely

A handwritten signature in blue ink that reads 'Dr. A. Sidhu'.
