Dear Parents/Carers

**Year 9 Revision Skills Session 'Maximising Success' Wednesday 7<sup>th</sup> October 2020**

On 7<sup>th</sup> October Year 9 will be off timetable for three lessons to attend a Revision Skills event provided remotely by the Life Skills Company entitled 'Maximising Success'. The Life Skills Company will also be delivering the Year 9 Transition Evening remotely for parents on the same day between 5.45-7.45pm.

The Revision Skills Sessions will be delivered to Year 9 classrooms by external specialists from The Life Skills Company. This is an established organisation which has been associated with the School for many years and has provided successful interview and learning skills sessions for the Sixth Form. The skills covered are particularly relevant with the approach of end-of-year examinations and GCSEs in Year 10 and Year 11.

This Revision Skills event is made possible through voluntary contributions, so I would strongly encourage you to contribute £10.00 towards the cost. If we do not receive sufficient voluntary contributions to make the workshop possible, we may be forced to cancel it. Payment should be made by sQuid, the School's electronic system by **30th September 2020**. Should you experience any problems in connection with the online system, please contact the Finance Office at [financeoffice@saintolaves.net](mailto:financeoffice@saintolaves.net) and they will assist with your query. Anyone experiencing financial difficulties please apply to the Headteacher in writing (your application for support will be considered in strictest confidence).

Please contact me if you have any questions.

Yours sincerely

Mrs Stella Platts  
Careers and Progression Co-ordinator
